H. Probably Sharlotte Or Charlotte (Wright) Lewis And Her Husband Moses Lewis

Sharlotte or Charlotte (Wright) Lewis was probably a daughter of John Wright (Montgomery County) and Mary (____) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3])

The 1810 Census for Montgomery County, Virginia, listed John Wright with a daughter age 10 to 16, indicating a date of birth between 1794 and 1800, and given the date of marriage set forth below, this was probably his daughter Sharlotte Wright.

The marriage record of Sharlotte Wright and Moses Lewis was dated on December 9, 1818, at Montgomery County, Virginia, with John Wright as surety:

> "Know all men by these presents that we Moses Lewis and John Wright are held and firmly bound unto James P. Preston Governor or Chief Magistrate of the Commonwealth of Virginia in the Just Sum of one hundred and fifty dollars the payment well and truly to be made to the said Governor and his Successors for the use of the Commonwealth we bind ourselves our heirs & Jointly & Severally firmly by these presents Sealed with our Seals and dated this 9th Day of Decr 1818.
>
> The condition of the above obligation is such that whereas there is a marriage intended to be shortly had and solemnized between the above bound Moses Lewis and Sharlotte Wright Now if there shall be no Lawful cause to obstruct the same then the above obligation to be void else to remain in full force and virtue.

The listing of John Wright as surety indicates that the Sharlotte Wirght of this marriage record was probably his daughter. In addition, The Personal Property Tax Lists for Montgomery County indicate that there was only one John Wright residing in Montgomery County in 1818 and, therefore, the John Wright who was the father of Sharlotte (Wright) Lewis was probably John Wright (Montgomery County).

Marriages In The New River Valley, Virginia, compiled by Therese A. Fisher also listed the marriage bond of Charlotte Wright and Moses Lewis as dated on December 9, 1818.

The 1820 Census for Montgomery County, Virginia, listed Moses Lewis with the following household:

Names of Heads of Families	Free White Males	Age	Free White Females	Age	Foreigners
Moses Lewis	1	26-45	1	26-45	
	1	0-10	1	0-10	

Number in Agriculture	Number in Commerce	Number in Manufacture	Slaves Male	Age
1				

Slaves Female	Age	Free Colored Males	Age	Free Colored Females	Age	All other Persons

This record indicates that Sharlotte (Wright) Lewis and Moses Lewis were born between 1775 and 1794.

K. 1856 Lorenzo Dow Wright of Hendricks County, Indiana, His Wife Margaret (Brookman) Wright, And His Descendants

1856 Lorenzo Dow Wright of Hendricks County, Indiana, was a son of John Wright (Montgomery County) and Mary (____) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3])

Lorenzo Dow Wright was probably named for the minister Lorenzo Dow, who is described in Wikipedia as follows:

> "Lorenzo Dow (October 16, 1777–February 2, 1834) was an eccentric minister whose infamy, influence and travels throughout the country led to many thousands of U.S. children of the early 19th century to be named after him. The 1850 U.S. census lists Lorenzo as one of the most popular first names in America. His autobiography at one time was the second-best selling book in the United States, exceeded only by the Bible. He was an important figure in the Second Great Awakening."

The marriage record of Dow Wright and Margaret Brookman was dated on December 4, 1827, at Montgomery County, Virginia:

> "I do Hereby Certify that I Solemnized the Rites of Matrimony between Dow Right and Margaret Brookman on the 4th of Decr 1827 - March 4th 1828
>
> J. G. Cecil Minister of the Gospel"

The 1850 and later Land Tax Lists for Pulaski County, Virginia, did not list Lorenzo D. Wright.

The 1850 Census listed only one Lorenzo D. Wright who was born between 1800 and 1810 in Virginia and that was the 1850 Census for Hendricks County, Indiana, which listed Lorenzo D. Wright with the following household on October 9, 1850:

The listing of the children as born in Virginia until 1850 is consistent with Lorenzo Dow Wright's residence in Virginia until 1849 and confirms the identification of this Lorenzo D. Wright as Lorenzo Dow Wright, the son of John Wright (Montgomery County. This record indicates that Lorenzo Dow Wright was born in about 1807 and that Margaret (Brookman) Wright was born in about 1812.

The 1860 Census for Harrison County, Missouri, listed Margaret Wright with the following household in June 1860:

> "Joseph Wright, a well known retired farmer and veteran of the Civil War, who lives in New Hampton, Missouri, was born in Pulaski County, Virginia, August 1, 1845, the son of Lorenzo Dow and Margaret (Brookman) Wright. Lorenzo Wright died in Indiana, August 1856, and his wife died one and one-half miles southwest of Eagleville, in 1878. Mr. and Mrs. Lorenzo Wright were the parents of the following children: John of Washington Center, Sabastia of Cheyenne, Wyoming; Joseph, the subject of this sketch; and Mrs. Julia Ann Becklehammer,

Mrs. Ferbie Zimmerman, Mrs. Sarah Burnett, Emmaline A. Robbins, Melinda, and Mary Davis all deceased. . . .

Wesley Chapel Methodist Episcopal Church is situated in Section 17, Washington Township, and dates its history from about the year 1865 to 1866. . . . The building in which the congregation now meets for worship was erected in 1873, at a cost of $1,100. Present membership, sixty; pastor, Rev. W. R. Wood; class - leader, Joseph Wright; trustees, F. Zimmerman, J. W. Chesney, Joseph Wright, Abraham Smith and J. R. Mitchell; recording steward, J. D. Wilson.
. . . .
F. Zimmerman, a prosperous farmer of Harrison County, was born April 14, 1825, in Davis County, N.C., and is a son of Christian and Sarah Zimmerman. His parents were probably natives of the same State, were married there, and lived only until our subject was eight years of age. From this time he was wholly compelled to support himself; worked with several different persons in his native State until twenty years old, when he proceeded westward, locating in Hancock County, Ind., remained there a few months, then moving on to Rush County of the same State, where he lived a short time, when he once more moved on; and farmed and worked in timber in Hendricks, Putnam and Boone Counties, in the fall of which years he moved his family to Harrison County, MO. Previous to his departure from Indiana in 1857 he married Phoebe, daughter of Lorenzo Dow and Margaret Wright, and who was born in Virginia, about 1830. She accompanied her parents to Indiana when a small child and remained there until her marriage. The union of Mr. and Mrs. Zimmerman has been blessed with nine children: Sarah (wife of William Jordan), John Franklin, Nelson, Thomas, Nancy (wife of William Long), Maggie (wife of Eli Creekmore), Amanda, Mary and Reuben. During the late war Mr. Zimmerman served in the State Militia, and is a Democrat politically, casting his first vote for the Democratic candidate in 1848. He and his wife are worthy members of the Methodist Church, and are earnest workers in all educational or church undertakings. Mr. Zimmerman is in every sense of the word a self-made man. Starting in life with comparatively no education, thrown entirely upon his own resources, he has by long continued and persistent efforts become a wealthy and influential citizen of the county, and is the owner of a fine farm of 240 acres, situated in Section 16, Township 65 north, Range 29 west. When he first located on this tract of land it was wholly uncultivated, but he has succeeded in bringing it to its present state of perfection."

As will be set forth below, this is the same family as that listed in the probate document relating to the estate of 1855 James Wright and identifies this as his household. His absence indicates that either he had died or had left home. The timing suggests he might have gone to the gold rush, but this is speculation. This record indicates that Mary P. (Doran) Wright was born in about 1815.

In October 1855 at Roanoke County, Virginia, Ct.O.Bk. D/748 Mary Wright was appointed guardian of her infant children William, Frances, John A., Giles T., and Samuel H.:

> "Mary Wright is by the Court appointed Guardian of her infant children William, Frances, John A, Giles T, and Samuel H. Wright orphans of Jas Wright and thereupon she entered into Bond in the penalty of $200, with condition according to Law, and is allowed to give Joseph Fizer or some other sufficient security within thirty days"

This record identifies the family of 1855 James Wright of Roanoke County as follows:

Wife: Mary (____) Wright

Children:
1) William Wright,
2) Frances Wright,
3) John A. Wright,
4) Giles T. Wright, and
5) Samuel H. Wright.

This is clearly the same family as that of the 1850 Census. 1856 Joseph Wright of Roanoke County and 1855 James Wright of Roanoke County both named one of their sons Giles T. Wright. Such a duplication of an unusual name indicates a family connection. In addition, both named another son John Wright. Since 1855 James

Wright was born between 1810 and 1820 and probably before 1817 and 1856 Joseph Wright was born in 1799, 1855 James Wright was probably a brother of 1856 Joseph Wright, rather than a son.

The 1860 Census for Kosciusko County, Indiana, listed Mary Wright with the following household on June 20, 1860:

This record indicates that the children of 1855 James Wright of Roanoke County and Mary P. (Doran) Wright were the following:

2) Giles T. Wright,

3) ____ Wright, and

4) Frances (Wright) Holland.

The death record of John Anderson Wright was dated on March 26, 1920, at Whitley County, Indiana, and listed his parents as James Wright and Mary P. (Doran) Wright:

This record identifies the wife of 1855 James Wright of Roanoke County as Mary P. (Doran) Wright.

From the evidence set forth above and additional evidence set forth below, the children of 1855 James Wright of Roanoke County and Mary P. (Doran) Wright can be identified as follows:

1) William P. Wright, born in December 1836 in Virginia,

2) Frances Jane (Wright) Holland, born in about 1838 or 1839 or 1840 or 1843 in Virginia,

3) John Anderson Wright, born in about 1843 or 1844 in Virginia,

4) Giles Thomas Wright, born in about 1844 or 1845 or June 1848 in Virginia,

5) Samuel Henry Wright, born in about 1848 or 1851 in Virginia.

1. <u>William P. Wright, His Possible Wife Mary (____) Wright, And His Descendants</u>

William P. Wright was a son of 1855 James Wright of Roanoke County and Mary P. (Doran) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3], 1855 James[4])

The 1850 Census for Roanoke County, Virginia, listed William P. Wright in the Mary Wright household on July 26, 1850, and his age as 14 and born in Virginia, indicating a date of birth in about 1836.

In October 1855 at Roanoke County, Virginia, ____ Book D/748 the court entered the following order:

> "Mary Wright is by the Court appointed Guardian of the infant children William, Frances, John A, Giles T, and Samuel H. Wright orphans of Jas Wright and thereupon she entered into Bond in the penalty of $200, with condition according

to Law, and is allowd to give Joseph Fizer or some other sufficient security within thirty days."

This record identifies William Wright as a son of 1855 James Wright of Roanoke County and Mary P. (Doran) Wright.

The 1860 Census for Kosciusko County, Indiana, did not list a William Wright.

The 1860 Census for Mitchell County, Iowa, listed William Wright with the following household on June 21, 1860:

Name	Age	Sex	Color	Occupation	Value of Real Estate
William Wright	25	M		Farmer	1500
Mary Wright	22	F			
Flora Wright	1	F

The age and place of birth for this William Wright are consistent with William P. Wright, the son of 1855 James Wright of Roanoke County, but further research will be required to confirm this identification.

William P. Wright has not as yet been located in the 1870 Census.

The 1880 Census for Mitchell County, Iowa, listed W. P. Wright with the following household on June 3, 1880:

The 1900 Census for Mitchell County, Iowa, listed William P. Wright with the following household on June 21, 1900, immediately adjacent to the household of Mrs. Lena Wright:

a. Flora Wright

Flora Wright was possibly the daughter of William P. Wright and Mary (____) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3], 1855 James[4], William P.[5])

The 1860 Census for Mitchell County, Iowa, listed Flora Wright in the William Wright household on June 21, 1860, her age as 1 and born in Iowa, indicating a date of birth in about 1859. If this census record was for William P. Wright, then this record identifies Flora Wright as his daughter.

1920 William P. Wright of Mitchell County, Iowa, was a son of William P. Wright and ____ (____) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3], 1855 James[4], William P.[5])

The 1900 Census for Mitchell County, Iowa, listed Mrs. Lena Wright with the following household on June 21, 1900, immediately adjacent to the household of William P. Wright:

On April 3, 1923, at Mitchell County, Iowa, Probate File 2194, F. C. Bush filed his final report as administrator of the estate of William P. Wright:

"In the District Court of the State of Iowa, in and for Mitchell County.
In Probate, No 2194

In the Matter of the Estate of)
Wm. P. Wright, Jr., Deceased) Final Report of Administrator

Comes now F. C. Bush, Administrator of said estate and reports as his doings since the 13th day of May, 1922, the date of his last report as follows, to-wit: That he has proceeded to complete the administration of said estate by disposing of the balance of the personal property on hand; that all of said property has now been disposed of and proceeds accounted in cash account current hereto attached; that said estate has been handled and managed as he believes to the best interest of all parties concerned but that it became necessary in the administation to save expense to waive certain formalities and applications to the court for sundry little matters;

That the property of said estate consisted as inventoried of a small amount of personal property such as is usually found on a small farm, including a saw rig; that there were numerous claims filed in said estate; that appraisement of the personal property was made; that it became impossible to sell the personal property for the appraised value or sufficient to pay the claims filed and allowed in said estate; that the real estate consisted of a 40 acre tract with a small

dwelling house, but the family consisted of nine boys, several of whom were minors, and immediately after this deat of said Wm. P. Wright Jr. they had no other home except this 40 acre tract of real estate, and to enable this administrator to pay off the claims and to keep a home for these minors, it was necessary to retain the team and saw rig and some of the other personal property, being farm machinery;

That with the consent and advice of the older ones some of the timber was cut from the said 40 acre tract and sawed up into wood and sold and the proceeds applied on the payment of debts; that it was necessary to keep the saw rig until about January, 1923 to enable said interested parties to carry on said 40 acre tract of real estate and to keep a home when necessary for said minors; that said saw rig depreciated in value and was finally sold for $100; and the team of horses were kept for the same reason and the team and harness were finally disposed of for $75;

That the minors' interests were handled by Albert P. Wright, their guardian, until about November, 1921, when said Albert P Wright was taken to a United States Government hospital for treatment as being of unsound mind and was himself placed under guardianship; that his said guardian was H. L. Stoughton who acted on behalf of said Albert P. Wright, and to some extent on behalf of the minors; that said estate has finally and in fact paid up all claims that were filed against the same; that several of the older boys filed claims for labor and for money loaned, which claims appeared to be correct; that final and complete settlement has been made with all the interested parties; that H. L. Stoughton died December 31, 1922, and A. E. Brown was appointed and qualified as guardian of Albert P. Wright and is now such guardian.

That Theodore Wright has become of age. That the heirs of said deceasd who are still minors are:

Raymond Wright
Alphonso Wright
Walter Wright and
Rudolphus Wright.

That Clarence Wright, one of the heirs of said deceased, died on June 24, 1922. That Elmer Wright is the duly appointed, qualified and acting administrator of his estate.

That it has been possible to keep said 40 acre tract of real estate unsold for the payment of debts by using the methods above set forth, and this administrator believes the matter has been handled for the best interests of all concerned; that he asks for himself $125 and $125 for his attorney; that he asks that all his acts and doings herein be approved; that he files herewith receipt and waiver of all

interested parties, being the receipt and waivers of the adults and the receipt and waiver of the minors and their guardians, and of Elmer Wright as administrator of the estate of Clarence Wright, deceased, together with proof of service of said notice upon Albert P. Wright, incompetent, as provided by law.

That a cash account current of all matters since his report of May 13, 1922 is filed herewith showing payment of all claims in full, costs and expenses in final settlement and disposition of said estate;

Wherefore he asks that this report be approved as a final report; that he be discharged and his bond exonerated.

F. C. Bush, Administrator

State of Iowa
Mitchell County ss

I, F. C. Bush, being first duly sworn, on oath state that I am the administrator above named; that I have read the above report; and that the statements and allegations therein contained are true and correct as I verily believe.

F. C. Bush

Sutscribed and sworn to before me by the said F. C. Bush, this 3d day of April, 1923.

That the assets belonging to the above named estate pass in whole to persons exempt from the imposition of an inheritance tax as provided by the laws of the State of Iowa by reason of the fact that the exemptions allowed by statute exceed the gross value of the entire estate of the decedent wherever located; that the value of the assets to be thus transferred can be ascertained without the necessity of being appraised by the inheritance tax appraisers, and that an appraisement thereof would necessitate a useless expenditure of funds on the part of said estate.

On October 16, 1923, at Mitchell County, Iowa, Probate No. 4214, File, 662, Hollis Wright filed his application alleging that assets belonging to the estate of Giles T. Wright had not been accounted for:

"In the District Court of Iowa, in and for Mitchell County.
October Term, A.D. 1923

In The Matter Of The Estate)
Of Giles T. Wright, Deceased) Application

Comes now Hollis Wright and shows to the Court that said Giles T. Wright died intestate on or about January 8, 1923; that, thereafter, W. E. Sheldon of Osage, Iowa, was duly appointed administrator of said estate; that he proceeded to list the personal property of deceased as the same was given to him by Mrs. Katie M. Wright, widow of deceased, and John Pickering, son-in-law of deceased, said persons being in the immediate charge and control of said property at or about the time of the decease of Giles T. Wright.

That said persons failed to list or schedule with said administrator certain of the personal property of deceased, and claim or pretend to claim the ownership of the same, and claim to said administrator that said property did not belong to the deceased at the time of his death, but applicant alleges that in addition to the property listed and given in by said parties to said administrator and by him inventoried, all as shown by the files of said estate there has been omitted, the following property which this applicant understands is now claimed by said parties, to-wit:

1 Milwaukee corn binder, old; 500 bushels of old corn of the crop of 1921, on hand January 8, 1923; 1/2 of 28 acres, or approximately 450 bushels, of corn from the 1922 crop; also, an account for 8 loads of hay from the 1921 crop or the value of the same, said hay being cut in 1921; also, 1/2 of 22 acres of hay from the 1922 crop; also, 1/3 of 1030 bushels of oats from the 1922 crop, all of the above crops being crops raised on an 80 acre tract left to deceased at the death of a son, Frank Wright, said 80 acres being described as follows: E 1/2, SW, Section No. 36, Twp. 99, Rge. 17; also, the proceeds from 1050 bushels of oats sold in June, 1922, from the home place of said Giles T. Wright, delivered at Bucknam Crossing; also, proceeds of cattle shipped by the Equity Society of Osage, 5 head, March, 1922, $343.00; also, 5 head of cattle or proceeds thereof sold to Bud Mathieson, on or about December, 1922; also, 46 head of cattle on the home farm at the time of the death of said Giles T. Wright, of all descriptions; also, 5 head of horses, 3 grays and 2 bays, being on the place and owned by the said Giles T. Wright; also, 1 bay mare; also, 1 side delivery hay rake; also, 1-6 foot McCormick mower; also, 1 triple wagon box; also, 2 old truck wagons; also, 2 hay racks; also, 1 Janesville sulky plow and 1 manure spreader; also, 3 corn plows; 1 hay loader; 1 feed grinder and 1-20 disk harrow, all of which said property above described was the property of said Giles T. Wright at the time of his death and said personal property as described and located on said 80 acre tract being the NW 1/4 of Section No. 1, Twp. 98, Rge. 17, Mitchell County, Iowa.

Reference is here made to the inventory in the estate of said Giles T. Wright and this applicant states that he is one of the heirs at law of said deceased Giles T. Wright, and has an interest in all the property belonging to said estate.

Wherefore, he asks that a citation be issued directing said Katie M. Wright and John Pickering to appear in this Court and show cause why they have not listed said property with the administrator as the property of said Giles T. Wright, deceased, so that the same may be listed with the property according to the laws of the state of Iowa.

Of Giles T. Wright, Deceased) Application

Comes now Hollis Wright and shows to the Court that said Giles T. Wright died intestate on or about January 8, 1923; that, thereafter, W. E. Sheldon of Osage, Iowa, was duly appointed administrator of said estate; that he proceeded to list the personal property of deceased as the same was given to him by Mrs. Katie M. Wright, widow of deceased, and John Pickering, son-in-law of deceased, said persons being in the immediate charge and control of said property at or about the time of the decease of Giles T. Wright.

That said persons failed to list or schedule with said administrator certain of the personal property of deceased, and claim or pretend to claim the ownership of the same, and claim to said administrator that said property did not belong to the deceased at the time of his death, but applicant alleges that in addition to the property listed and given in by said parties to said administrator and by him inventoried, all as shown by the files of said estate there has been omitted, the following property which this applicant understands is now claimed by said parties, to-wit:

1 Milwaukee corn binder, old; 500 bushels of old corn of the crop of 1921, on hand January 8, 1923; 1/2 of 28 acres, or approximately 450 bushels, of corn from the 1922 crop; also, an account for 8 loads of hay from the 1921 crop or the value of the same, said hay being cut in 1921; also, 1/2 of 22 acres of hay from the 1922 crop; also, 1/3 of 1030 bushels of oats from the 1922 crop, all of the above crops being crops raised on an 80 acre tract left to deceased at the death of a son, Frank Wright, said 80 acres being described as follows: E 1/2, SW, Section No. 36, Twp. 99, Rge. 17; also, the proceeds from 1050 bushels of oats sold in June, 1922, from the home place of said Giles T. Wright, delivered at Bucknam Crossing; also, proceeds of cattle shipped by the Equity Society of Osage, 5 head, March, 1922, $343.00; also, 5 head of cattle or proceeds thereof sold to Bud Mathieson, on or about December, 1922; also, 46 head of cattle on the home farm at the time of the death of said Giles T. Wright, of all descriptions; also, 5 head of horses, 3 grays and 2 bays, being on the place and owned by the said Giles T. Wright; also, 1 bay mare; also, 1 side delivery hay rake; also, 1-6 foot McCormick mower; also, 1 triple wagon box; also, 2 old truck wagons; also, 2 hay racks; also, 1 Janesville sulky plow and 1 manure spreader; also, 3 corn plows; 1 hay loader; 1 feed grinder and 1-20 disk harrow, all of which said property above described was the property of said Giles T. Wright at the time of his death and said personal property as described and located on said 80 acre tract being the NW 1/4 of Section No. 1, Twp. 98, Rge. 17, Mitchell County, Iowa.

Reference is here made to the inventory in the estate of said Giles T. Wright and this applicant states that he is one of the heirs at law of said deceased Giles T. Wright, and has an interest in all the property belonging to said estate.

Wherefore, he asks that a citation be issued directing said Katie M. Wright and John Pickering to appear in this Court and show cause why they have not listed said property with the administrator as the property of said Giles T. Wright, deceased, so that the same may be listed with the property according to the laws of the state of Iowa.

On October 7, 1930, at Mitchell County, Iowa, Probate No. 4214, File 3020, C. L. Lugg filed a claim against the estate of Hollis Wright and set forth the circumstances of Hollis Wright's death:

"In the District Court of Iowa in and for Mitchell County.

In the Matter of the estate of) October Term, A.D., 1930
Hollis Wright, deceased.) Claim and petition for allowance of
C. L. Lugg & Julia Lugg.

Comes now the claimants herein and show to the court and to Fred Wright and R. A. Powers, executors of the Will and estate of Hollis Wright, deceased, that said estate is indebted to them in the following particulars and in the following items, to-wit:

Bedding and blankets, damaged and distroyed	$50.00
Actual services rendered by claimants	50.00
Damage to dwelling and health of claimants	300.00
Total claim	$400.00

and they respectfully ask that said claim be allowed and paid from estate property in the usual proceedings of settlement of said estate.

Claimants state that he found the deceased while he was still alive in a small barn on his premises with his clothing burned completely off from him, except a part of his two shoes. That he was burned almost to a crisp and suffering terrible agony and had been calling for help; that he had apparently been rolling on the ground in the yard trying to put out the fire which was burning his clothing and himself, which was caused by an explosion of some kind in his small house. That it was around two-thirty A.M., the night before he died. That he called neighbors and doctors and arranged a room in his own home across the road from the residence of the deceased and fixed a bed ready for his occupancy. That he summoned neighbors and together they carried the deceased to a car and thence across to the home of claimant. That the doctor was summoned and at once stated the deceased was burned so that he could live only a short while. That they took care of him, talking with him and waiting on him until his death, about eight hours later. That they did their best and as quickly as possible after discovering the plight of the deceased. That the stench and small of burning flesh and burned flesh and the gruesome find by the claimant worked great injury and damage to his nerves and health. That he finds that he has suffered a most severe shock and has been unable to work or attend to his ordinary farming activities since the time of said accident. That he has been under a doctors care and treatment. That he knows of no way to accurately estimate the proper amount of a claim but knows that he has suffered a great amount of damage caused by said shock and of his attempt to care for and look after said deceased, who was a neighbor of claimants'. That it has been almost impossible to clean up the room in said house from the bad odors brought there by the body of the deceased.

That he believes the estate should, to some extent, reimburse him for his actual damages which are apparently the direct result of the accident and death of the deceased. He therefore asks that the full claim if found fair and reasonable be allowed for himself and his wife and states that they did practically nothing else except take care of the deceased from the time he was discovered until his death and removal from their home. That he looked after papers and property of the deceased as per his instructions until the same, including the will of the deceased, were filed with the clerk of the District Court of Mitchell County, Iowa, three days after the accident.

Wherefore, he asks that said above claim be duly considered and that the same be allowed and paid in the usual procedure of administration of said estate. That he believes the same is just, true and correct in all respects.

C. L. Lugg

State of Iowa, Mitchell County, ss.

I, C. L. Lugg, for himself and Julia Lugg, being first duly sworn on oath, state that I am one of the claimants above named; that the above claim is just and true, as I verily believe.

On May 30, 1931, at Mitchell County, Iowa, Probate No. 4214, File 3020, Fred Wright and R. A. Powers filed their final report as executors of the will of Hollis Wright:

"Final Report of Executors.
In the District Court of Mitchell County, Iowa

Estate of
Hollis Wright, Deceased

No. 3020 Probate
Fred. Wright and R. A. Powers, Executors

Now on this __ day of June 1931, comes the above named Fred. Wright and R. A. Powers executors and reports;

That since their appointment they have received and paid out the amounts shown by the cash account hereto subjoined;

All property belonging to said estate, and which has come into our hands as executors has been disposed of as directed by the court, and the estate is ready for final settlement and distribution.

The aggregate of all monies received by us since our appointment is		$7,136.41
We have paid collatteral inheritance tax the sum of	$552.26	
We have paid out, as sown by vouchers including costs	$1322.66	1,874.92
Leaving in our hands in the banks the sum of		$5,261.49

We have not received anything for our services and ask that we be allowed as full compensation for services as executors the sum of	262.72
That we have employed A. E. Roberts as attorney for the estate and ask that he be allowed, as attorney fees the sum of	262.72

That said Hollis Wright was a resident of Mitchell County, Iowa, at the time of his death and died March 29, 1930, in Mitchell County, Iowa, and left a last will and testament and nominated Fred. Wright and R. A. Powers as executors. That said will duly admitted to probate at Osage, Iowa, April 12, 1930, and said Fred. Wright and R. A. Powers were duly appointed executors of said estate April 12, 1930, and they immediately qualified as such executors and entered upon their duties.

That they published notice of their appointment as executors, in the Osage News, a weekly newspaper printed in Osage, Iowa, for three consecutive weeks the first publication being April 17, 1930, and the last publication being May 1, 1930, and requiring all persons indebted to said estate to make immediate payments to them and those having claims against the estate to present them duly authenticated to them for allowance and to file them in the office of the clerk of the district court of Mitchell county, Iowa. It has been more than one year since the appointment of said executors and more than one year since the publication of the notice to creditors to file their claims against the estate and the time for filing claims against the estate has passed.

That all claims against the estate that have been presented and filed have been settled and paid and vouchers taken for same, except one claim of $100.00 made out Dec. 17, 1930, and filed Dec 18, 1930, with the clerk of said district court, and more than six months after the publication of the notice to creditors by the executors.

We do not consider the claim a just claim and have not allowed or paid it and now consider it barred by section No. 11972 of 1927, code of Iowa. Claimant has not noticed said claim for hearing and has not brought the claim on for hearing and it is a claim of the fourth class and barred and that said claim is without consideration, unjust and should not be allowed or approved and should not be paid.

That the deceased, Hollis Wright, had no family but was a single man and his brother, Fred. Wright, of Beaver Creek, Oregon, is the sole legatee under said will, and also one of the executors of the estate.

That he is competent to look after and manage the settling of the estate and he has, jointly with the other executor, R. A. Powers, acted upon and concurred in all that has been done in settling up said estate.

That the collatteral inheritance tax and all other taxes and all claims, except the Mrs. John Bower claim, have been paid and the estate is ready to be closed.

We ask that the court set a time for hearing the final report and prescribe the notice to be given for said final hearing and upon the final hearing of this report an order of distribution be made, and upon filing proper vouchers showing payment, as by such order directed we may discharged and our bondsmen released. The statements above made and those hereafter made are just and true.

R. A. Powers
Executors.

In April 1918, at Mitchell County, Iowa, Probate No. 4908, File 688, Frank Wright amended his report on the administration of the estate of Samuel H. Wright:

"In the District Court of Iowa, in and for Mitchell County.

In the matter of the estate of) April Term A.D. 1918.
Samuel H. Wright, deceased.) Amendment to Final Report

Comes now Frank Wright administrator herein and further reports as his doings in said estate for the purpose of setting out more fully the matter concerning several items in his cash account current, filed with his final report in said estate, and calls the Courts attention:

First, to the receipts; and states that after inventory of personal property he sold some of the live stock and machinery at private sale for more than the appraisers value; that the balance was sold at public auction after due and legal notice. That the item $119.25 was the amount received for two cows sold and was best amount obtainable and for several dollars more than the appraised value; that the item of $20 for pasture was received from one D Sullivan for the use of 30 acres of pasture for a short time in September and October, that Mr. Sullivan put in some cattle and fed out to them some corn-stalks which he bought at the public sale. That the public sale, after taking out the expenses of Clerk netted $2507.16. That the carbon copy of the sale showed a little bigger figure but it included the Clerks fees and several small items for property bid in at the sale, but which property was brought there by John Bartle and belonged to him. That the item for oats was for oats raised upon the premises during the season of 1916 being a few acres that had already been seeded at the time of death of Samuel H. Wright; that the item of $52.00 was for the rent of the old house in Osage, being a balance due from Wm. Lancaster. That the items 5 and 17 were for pasturing two calves and some horses that belonged to others; that the item $60 was a balance of rent of 21 or 22 acres leased to Frank Walashek for $6.00 per acre, the lease showing a credit for the balance. That the items $.40 and $5.40 are the amounts received from the Osage Creamery for interest for two years and also the sale of one share of stock for par value $5.00, that being the most that said administrator was offered for said share share and being the appraised value, that said share was not included or put up at public auction. That the item of $1800 was received from the referee who had made sale of the real estate with the understanding that he should pay to the administrator a sum sufficient to enable him together with proceeds of personal property to pay claims and expenses of the estate; That the item $424 was received from Ellen Blondin in payment of her promissory note to Samuel H. Wright, said note being for $400 and interest at 6%. That the item of $119 in receipts was for a settlement of Wm P. Wright, said settlement concerning the following items; upon the death of Samuel H. Wright Frank Wright was appointed administrator, and at once took an inventory or list of all personal property on the estate, there being some 20 horses as shown by the inventory and one of said horses was a brown mare which administrator listed and counted with others, but in a few days after the death of deceased, and in the night time, Wm. P. Wright who lived near

the estate property, took said mare from the pasture and to his own home and thereafter kept her; that said administrator made demand upon Wm. P. Wright for said horse, and then Wm. P. Wright made a claim to the same as owner, but his claim appeared not to be well founded and was not substantiated by other proof. That he then claimed that he was short of horses and needed that horse for work on the farm, and said administrator allowed him to keep said mare for work until necessary to bring her back later; and just prior to auction sale in September, further demand was made on Wm. P Wright and he stated then that he would buy mare, she at that time had a fine colt and said administrator told him if he would give the appraised value $50 for mare and $30 for colt he would have them. He finally agreed to give $75 if the administrator would take his note, which was done. With reference to ownership of said mare, said administrator stated that he is confident that said horse was the property of Samuel H. Wright, that it had been on the place for many years. He also made special inquiry from neighbors and two of whom were appraisers in said estate and was satisfied that said mare was property of Samuel H. Wright. It was agreed that Wm. P. Wright would give his note and at said time of signing note it was also agreed that the amount of the note should be taken from the distributive share of Wm. P. Wright. Said note and interest amounted to $79.00 at the time the administrator made his final report. With reference to the balance of $119.00 to-wit: Amdinistrator stated that Wm. P. Wright was interested in said estate and one of the legal heirs of Samuel H. Wright, that a son of Said Wm. P. Wright had a claim in said estate which was proved up in Court in the amount of $325.00, but an action was started by the administrator for a new trial; whereupon to get the matter settled without further litigation and being interested in the allowance of the claim of his son and having an interest in the distributive share and in consideration of the dismissal and settlement of said action without further litigation, said Wm. P. Wright offered to and did give from his share of the proceeds the sum of $40.00 in the event that said administrator would settle up said claim with Clarence Wright, son of Wm. P. Wright. That said administrator thereafter and in consideration of the payment so made and to be deducted from the share of Wm. P. Wright made full settlement of said claim for the sum of $295.00 as shown by the final report herein.

That with reference to the items of expenditure this administrator mades further report as follows, and states he put funds from the estate in two different banks; the Home Trust and Savings Bank, Osage, Iowa; and the Mitchell Savings Bank, Mitchell Iowa. That upon his appointment he procured an order from the Court allowing and directing him to carry on the work of the farm of said Samuel H. Wright for the season of 1916. Said Samuel H. Wright died in May 1916, and before corn was planted; that said farm consisted of a large pasture and about 60 acres of work land. That the pasture fences were in very bad repair and needed considerable attention, that said administrator during said season together with one Andy Borget carried on said farm, made necessary repairs on fences, well and some on the dwelling house, and other buildings, but only what

was strictly necessary in care of said farm or protection of said property _____ to the item of expense as follows: With reference to the items of expense paid through the Home Trust & Savings Bank, No. 1 and 3 were as shown as connected with the auction sale and proper expense, No. 3, 5, 6, and 7 were were expense in carrying on the farm, cutting and thrashing the grain, etc, in the season of 1917; the items No. 7, $7.75 being for extra help in thrashing. Said Frank Wright hired some extra help and changed work in thrashing with some neighbors, and is a small amount there being only a few hours of thrashing on said estate. That the item No. 4, A. E. Brown, $6.95 was a check on wages to Andy Borget who was employed by the month by deceased before he died for the summer season and worked about May 18th to September 20th at the rate of $30 per month. Said Andy Bogert assigning a part of his wages to A. E. Brown. That the item 8½, $12.05 was for fence repairs and cement for the cellar, the dwelling house on said premisses being fitted with a furnace the pipes of which were rusted through and before the furnace could be used it was necessary for the protection of the house to get new pipes and some asbestos, also said house was over-run with rats and the cellar was wet and damp and said administrator after consultation with some of the interested parties purchased material in said sum and fixed over said furnace and also cemented up rat holes and cellar wall. That said expense was reasonably necessary to keep said building in repair for those interested in said estate; that no part of said item was for work or labor preformed by said administrator. That said items 8, 9, 10, 11, 12, 13, 14, 16 and 17 were amounts paid on claims duly filed and allowed in said estate; that the claim of Albert and Elmer Wright was filed in the sum of $600 and $1200 respectively and was finally settled in full for the sum of $275 as shown by said report. That the items No. 15 and 23 comprised statutory fees of administrator for full fees figurning to $155. That said estate was subject to collateral tax and was paid as shown by item 20. That this administrator has considered the matter in full and decided that deceased _____ for him and being buried on the lot with his mother and sister on which was a very small, old-fashioned stone. That with reference to attorney's fees, $167.50, this administrator states as in his final report that he employed A. E. Brown, who carried on the Court matters with reference to said administration from the opening of said estate, the listing and enventorying all of said personal property, looking over all of the old papers and affairs of deceased, investigating all of the claims filed, the payment of the same and the settling and compromising of others, also appeared in trial Court concerning the claim of one Clarence Wright and defended the administrator, and also filed motion for new trial and later action in equity for new trial, and later settled said matter as heretofore stated, and for services in attention to final report and on application and orders in said estate, which amount is very reasonable and necessary. That with reference to items in cash account current, checked out from Mitchell County Savings Bank administrator stated that item 1, $69.60 was for extra labor, being day labor on the farm left by said Samuel H. Wright. That upon his appointment as administrator Frank Wright proceeded to put in a crop of corn, that there was

employed on said farm one Andy Bogert as stated; that there was plowing and planting corn and potatoes to attend to. That there was considerable fencing to be done that was necessary to make the pastures tight for cattle and horses. That later there was haying and harvesting to be done and the corn to be worked, also considerable time was necessary to keep down thistles and noxious weeds with which the place was over-run as heretofor stated. That said administrator kept an account of the time spent and said extra work, and outside of attention given to the breaking of the colts prior to the auction sale, put in some forty days labor on said place. That in haying said Andy Bogert worked back in the interchange of work a part of this time, leaving a balance due for extra labor at $2.00 per day, the sum of $69.60 as stated. That the same applies to the further item No. 15, $15.40 which was time _____ agreed to pay Andy Bogart the sum of $30 per month and reasonable grocery bill and covered the time from May 18th to Sept. 20, 1916. That items 3, 4, 5, and 12 pretain to expense of public auction sale. That items 6, 7, 8, 9, were necessary repairs on the building and personal property and were necessary items to save from damage said estate. That the roof of the house leaked badly and water ran into the house and onto the walls and it was necessary to shingle the same, most of the work being done by said Andy Bogert. That said administrator obtained fumigating device and item No. 9 is for the costs of fumigating the premises which were in a very dirty and unhealthful condition. That the old house had not been cleaned and renovated for many years and Andy Bogert and wife and this administrator spent at least a week in cleaning up said dwelling house. That said expense was proper and necessary for preservation of said property. That item No. 10 was for new halters used at the auction sale. That with reference to item 13, $22.67 this administrator states that the wages of said Andy Bogert came to $120, but that he took in payment of said wages several small articles of personal property that belonged to the estate, at the appraised value or more than the appraised value, and said $22.67 is a balance due on said wages, that several of the items taken by said Andy Bogert are as follows: music-box, stove, bed, wagon and box, a calf, and old horse, some hay and a pig. The total amounted together with a little cash advanced by said administrator, being the difference between $120.00 and $22.7. That all of the articles turned over to said Andy Bogert were turned over at their appraised value or more.

That items 16-17-18-19-20-21-22-24-25-26-28-29-30-31-32-33-34-35- and 36 were all for claims duly filed and allowed in said estate. That No. 23 $1.30 is an item of expense for repairs on pump and wind-mill, necessary in the management of said farm.

That with reference to other claims filed in said estate and not shown _____"
